I meant Morgan! Capilla would be a pretty first name though.

Hi Capilla,

Sorry you can't make it. I will ask Karen if she is able to record the meeting. I think that is already planned. If not, I can schedule time to go over the meeting with you. We definitely want your feedback.

Hi Eric,

Hope you've been well! I just left you a voicemail and figured I'd follow up with an email just in case. Unfortunately, I have an unavoidable schedule conflict and I won't be able to attend tomorrow's Cooperating Agency meeting for Oakland Harbor. Will you be recording the meeting? If so, can you share a link to the recording? I can review it and follow up regarding any feedback.

Thanks!
Morgan
